**Synopsis:**

Melvin and Jeannie Gordon who reside at 13381 SW 6 Ct. have a wall full of bees. Mr. and Mrs. Gordon is an elderly couple and she is handicapped. Mr. Gordon stated that he can't even go in the back yard to mow the grass for fear of being stung. Mrs. Gordon advised that there are so many bees that when she is inside the home, she can hear them and has also found bees inside the home.

The wall that the bees are in is the exterior wall of the home. Looking at the home from the outside there are several hundred bees that swarm and it is unknown how many are actually inside the walls. The neighbor's dog has been stung as well as the kids who live across the street. Mrs. Gordon advised that the kids yell "the bees are outside" when they see them and run inside the house.

Officer Richards has contacted "Willie the Bee Man" who advised he will take care of the bees pro bono. In light of that The Davie Police Department would like to invite the media to cover the removal of the Bees.

Willie, will be at the home on Thursday the 12<sup>th</sup>, 2009 at 2pm.
